

REMARKS

In response to the Notice of Non-compliant Amendment dated November 16, 2005, Applicant has renumbered the claims, starting from the second Claim 44. The withdrawn previously numbered Claims 46-52 renumbered as Claims 47-53 have also been amended to provide the proper renumbered claim dependency. Regarding the Election Requirement dated October 4, 2005 required by the Examiner, requiring election between:

Species 1: a transfective LCD device drawn to Figs. 4-7;

Species 2: a transfective LCD device drawn to Fig. 8;

Species 3: a transfective LCD device drawn to Fig. 9;

Species 4: a transfective LCD device drawn to Fig. 10.

Applicant again elects, with traverse, Species 1: a transfective LCD device drawn to Figs. 4-7, Claims 1-4, 6-9, and 13-23. Applicant agrees with the Examiner that at least Claim 1 is generic to all species.

Conclusion

If the Examiner is unable to allow the application in the next Office Action and believes that a telephone interview would be helpful to resolve any issues, he is respectfully requested to contact the undersigned.

Respectfully submitted,

Anthony P. Curtis, Ph.D.
